Perfect Fit Golden Oak

The double award winning Perfect Fit system is now available in a beautiful golden oak colour that blends superbly with the modern golden oak uPVC windows.

Roller, venetian, cellular and pleated blinds are all available in Perfect Fit golden oak as either components or finished blinds. Perfect Fit golden oak co-ordinates stylishly with new tan coloured components that are now available for both the Perfect Fit roller blind and 20mm pleated blind systems.

No drilling, no screwing, fitted in seconds and increased privacy are just some of the reasons why Louvolite Perfect Fit® is the perfect choice for uPVC windows! To place your order for your golden oak and tan components, simply complete the fax back form on the reverse of this mailshot and return to Louvolite today!
